Shivansh Chopra

Front End Developer

📞 +91 8595520004   @ shivanshchopra.me@gmail.com   🔗 www.shivansh.work

SUMMARY

Motivated and detail-oriented Frontend Developer with a solid foundation in building dynamic and responsive web applications. As a recent graduate, I have successfully delivered several projects that showcase my ability to transform complex requirements into intuitive, user-friendly designs. Eager to expand my skill set into backend development, with aspirations of becoming a Full Stack Developer. Driven by a passion for continuous learning, I am excited to contribute to innovative projects in a collaborative environment.

PROJECTS

Live news

🔗 https://news-app-react-ca53.vercel.app/

- Created a responsive news app with React, offering real-time updates from multiple sources via API. Features include article browsing, search, category filtering, and detailed views.

Airbnb Website

🔗 https://airbnb-frontend-roan.vercel.app/

- Built a responsive Airbnb frontend clone with property listings and filters. Replicated key design elements and functionality for a seamless user experience.

Youtube Reskinned

🔗 https://youtubeclone-shivanshchopra7.netlify.app/

- Built a responsive YouTube clone with a user-friendly interface, allowing users to browse and watch videos. Features include video recommendations and detailed views, closely mimicking the original platform's functionality.

Apple Vision Pro Website

🔗 https://visionpro-shivanshchopra7-github.netlify.app/

- Built a responsive and visually engaging clone of the Apple Vision Pro webpage, showcasing product features and design highlights. Replicated the sleek, immersive presentation of the original site with seamless UI components.

EDUCATION

Bachelor's in Computer Applications

JIMS Noida Extension

📅 2022 - 2025   📍 Greater Noida

STRENGTHS

</> Problem Solving

Regarded for the capacity to dissect complex problems, resulting in development pof effective solutions.

Team Player

Accustomed to working as part of a diverse team, leveraging individual strengths to accomplish collective objectives and project completion

♥ Attention to Detail

Built a reputation for meticulous attention to design and coding details, aiding in the delivery of pixel-perfect and user friendly web interfaces

SKILLS

HTML 5   CSS 3   Javascript   React

Tailwind CSS   Responsive design

Bootstrap   Material UI

Semantic Markup   GitHub   Figma

TRAINING / COURSES

100X Engineers

Enrolled in an AI-accelerated Full Stack Engineering certification program, where I learned about web development and the integration of AI tools.

PASSIONS

💡 Tech Enthusiast

Enjoy exploring tech gadgets and figuring out what's new in the market.

🎞 Photography

An amateur photographer with a keen interest in street and architectural photography. I believe a good eye for design extends beyond work
